## **Advantage Statistics**

## How to Figure Out Current Holdings

- 1. Log into Marketplace using your Advantage Login.
- 2. Under Insights, you will see the following.

3. Filter by Advantage Collection and the current date; the data below will refresh and will tell you both your copies and titles by format

## How to Figure Out How Many Copies you Bought in a Specific Time Period

- 1.Log into Marketplace using your Advantage Login
- Under Insights, you will see a list of reports on the left. Under Purchase & Order Reports, choose Purchased Titles Summary.
- 3. Then, filter by your desired timeframe, and formats. Note you will have to run audiobook and eBook separately.
